MODEL HOME • 3145 MILLER ROAD | BELLFLOWER IV

The Daffodil offers 4 bedrooms, 3 full baths, 1 half bath, and a 3-car garage in a one-story design on an oversized corner lot in Westside Preserve. A game room at the rear gives this layout a separate gathering space without an upper floor. Glass double doors define the room, with surround-sound prewiring and direct access to the covered patio adding function. Outside, an added 17-foot by 10-foot uncovered patio creates more room for seating or dining. The central family room connects to the kitchen and dining area, with a gas-log fireplace, stone reaching the ceiling, and a cedar mantel providing a focal point. RevWood flooring extends through the shared spaces and primary bedroom, with carpet limited to the 3 secondary bedrooms. The Deluxe Kitchen makes a strong impression with 2-tier upper cabinets, quartz counters, and a trimmed island beneath 2 pendant lights. A 5-burner gas cooktop and double electric ovens expand the cooking setup, while under-cabinet lighting illuminates the work surfaces. A single-bowl sink and pantry complete the arrangement. The rear primary suite includes a window seat, separate vanities, a garden tub, a separate shower, and a generous walk-in closet. Near the front, 2 bedrooms share a Jack and Jill bath, while another bedroom has its own full bath. A powder bath serves the gathering spaces. 8-foot doors carry the scale throughout, and upper laundry cabinets add storage. Coach lights and uplights highlight the exterior, with a covered front porch and gutters rounding out the home. Visit Bloomfield Homes' model at Mockingbird Heights to learn more today!
