The Primrose FE VI is a two-story plan that offers 5 bedrooms, 4 full baths, 1 half bath, a study, and a 3-car garage on an oversized homesite backing to a brick wall in Westside Preserve. Pendant and under-cabinet lighting highlight the island's cabinet wrap, while double electric ovens and a 5-burner gas cooktop handle the cooking. Formal dining and a separate breakfast area give meals different settings. The family room rises beneath vaulted ceilings around a floor-to-ceiling stone fireplace with gas logs and a cedar mantel. Upgraded wood flooring and 8' first-floor doors carry that sense of scale through the interior. A rotunda foyer, glass study doors, and a tech-center desk add useful detail. The downstairs primary suite includes a window seat, walk-in closet, and bath with separate vanities, a garden tub, and a separate shower. Upgraded tile and accents finish the baths. Also downstairs, 2 secondary bedrooms share a full bath, with a powder bath serving the common spaces. Upstairs, 2 bedrooms and 2 full baths join a game room and separate media room, giving games and movies their own settings. Laundry upper cabinets, blinds, and gutters add practical value. Outside, cedar garage doors, an 8' front door, and exterior lighting shape the arrival. An extended covered patio and added 20' by 10' uncovered patio offer room to gather outdoors.
