Upgraded stone, cedar garage door on the 2.5-car garage, and gutters lend an impressive curb appeal - plus the lot comes entirely landscaped! Light, wood-look tile flooring from front to back, matte black lighting fixtures & fans, contemporary 5-Lite front door that's 8-ft tall, and contemporary Shaker cabinets with matte black pulls are just some of the professionally-selected finishes that make this home feel custom! Gourmet Kitchen has white cabinets & black quartz counters against walls and black island cabinets with a white quartz countertop! Double ovens, pendant lights, and a gas cooktop complete the package. Most bedrooms downstairs, including the 300-square foot Primary Suite with a luxury ensuite bath! Upstairs layout features a bountiful Game Room, Media Room, full bath & private Bed 4. This one won't last long!
