This Lily IV enjoys a private yet manicured half-acre homesite in Paloma Ranch Estates. Open, bright and modern two-story providing a multigenerational set up with 5 bedrooms and 4.5 baths among dedicated spaces like a study, game room and media room. 2 Large Suites: Primary on the first floor and an In-Law Suite upstairs! Plus, ALL bedrooms have an ensuite bath! High-level family room ceilings allow beautiful natural light to fill the space, while timeless design features like a stone-to-ceiling fireplace and modern staircase with catwalk above provide dimension and interest. Perch barstools at the fully wrapped California island, surrounded by upgraded Shaker cabinets stained Nutmeg with built-in stainless steel appliances and topped with Coquina quartz countertops. A farmhouse sink, pendant lighting, and herringbone backsplash enhance the kitchen perfectly. Designer flooring selections throughout include nail-down hardwood in first-floor common areas, vibrant patterned laundry room tile, large-body Level 4 bath tile, and plush carpet in bedrooms and upstairs. Two garage bays exist, a single and a double, in case you need a separate space for storage or a gym! The storage inside already seems endless - from the massive walk-in pantry, to the deep primary closet, to the added laundry room cabinets plus utility sink! And just off the dining space is a covered patio, where a gas drop offers quick connection to fire up your grill!
