NEW! NEVER LIVED IN. Estimated completion January 2027. Movie nights get a dedicated setting in Bloomfield Homes' Carolina IV, where an enclosed media room with 5.1 surround-sound wiring joins a game room, 4 bedrooms, 3 full baths, and a 2-car garage in Chaparral Park. This two-story design begins with a circular foyer, a study behind glass French doors, and a formal dining room ready for a full table. Engineered wood flooring continues through these spaces and the main living areas. The Professional Deluxe Kitchen showcases Level 5 quartz, Shaker cabinets, matte black accents, and a tile backsplash. A 5-burner gas cooktop sits beneath a wood vent hood, with pot-and-pan drawers, a trash pull-out, under-cabinet lighting, and a single-bowl stainless sink adding everyday function. Decorative cabinet wrap gives the island a finished furniture look. The breakfast area opens to an extended covered patio with a gas connection for grilling. The main-floor primary suite includes a window seat, walk-in closet, dual sinks with quartz surfaces, and upgraded tile surrounding the tub and separate shower. There are 2 more bedrooms and a full bath on this level. The upper floor pairs the game and media rooms with a built-in tech center, the 4th bedroom, and a full bath upgraded with a shower in place of the tub. Modern railing adds an architectural accent along the stairs. A 50-amp garage outlet, cedar fencing with steel posts and 2 gates, and 4 front uplights round out the upgrades. Brick and stone frame an 8-foot front door for a distinctive arrival. Visit Bloomfield Homes at Chaparral Park to find out more today!
