Our Hawthorne II is a two-story plan with 4 bedrooms, 3 full baths, and a 2-car garage in Chaparral Park. Brick and buff stone frame an arched entry, with dark trim and 4 uplights giving the exterior a defined presence. An upgraded 8' wood-and-glass front door and brick front porch complete the introduction. Inside, the shared spaces open beneath a raised ceiling that spans the family room and breakfast area. Room to gather, with details worth a closer look. Laminate wood flooring continues through the main areas and study, where glass French doors replace the formal dining layout with a room of its own. The Deluxe Kitchen brings together Shaker cabinets, upgraded granite counters, a white beveled tile backsplash, and a wood vent hood above a 5-burner gas cooktop. A built-in oven and microwave keep the setup streamlined, while pot-and-pan drawers, an island trash pullout, and a walk-in pantry put storage where it counts. Under-cabinet lighting and a single-bowl stainless sink finish the space. The primary suite adds a window seat and walk-in closet, with quartz counters, dual sinks, a garden tub, and a separate shower accented by patterned tile. Nearby, 2 secondary bedrooms share a full bath. Upstairs holds the game room, bedroom 4, and another full bath upgraded with a shower in place of the tub. Outside, the covered patio opens to a large grassy backyard on an interior lot, enclosed by a cedar fence with steel posts and 2 gates. Full gutters, blinds, and a 50-amp garage outlet add practical value. Get the details at Bloomfield Homes' Chaparral Park model today!
