The Jasmine offers 4 bedrooms, 3 full baths, and a 2-car garage in a one-story design on an interior lot in Chaparral Park. Brick and sawn stone give the front its texture, with an arched covered porch, 8-foot wood-and-glass door, and uplights adding definition to the entry. The layout opens into a family room connected to the kitchen and breakfast area, keeping conversation and daily activity together. Laminate wood flooring carries through these shared spaces and the connecting halls. At the island, a single-bowl stainless sink leaves room for prep and cleanup while facing the living area. Upgraded Shaker cabinets, granite counters, a tile backsplash, and under-cabinet lighting bring detail to the kitchen, with a gas range and walk-in pantry completing the setup. The breakfast area has a window seat and direct access to the covered patio. The primary suite sits at the rear, apart from the secondary bedrooms, with a walk-in closet and bath featuring dual sinks, granite counters, a garden tub, and a separate shower. Wood-look hexagon tile around the tub and large-format shower tile add a distinctive finish. Along the opposite side, 3 bedrooms have access to 2 full baths; 1 includes a shower in place of the tub, while the added third bath retains a tub-shower combination. Carpet softens the bedrooms, and upgraded tile finishes the baths and utility room. Blinds, full gutters, and a 50-amp garage outlet add convenience, while cedar fencing and sprinklers complete the yard.
