NEW! NEVER LIVED IN. Estimated completion January 2027. Bloomfield Homes' Primrose FE VI makes a grand introduction on a large corner lot in Chaparral Park, with 5 bedrooms, 4 full baths, 1 half bath, and a 3-car garage across 2 stories. Brick and stone, cedar garage doors, and an upgraded 8-foot wood-and-glass entry set the exterior apart. The circular foyer opens beside a study with glass French doors, while site-finished wood floors continue through the formal dining room and main living spaces. A vaulted family room showcases a stacked-stone fireplace to the ceiling with a cedar mantel and raised hearth. Modern metal railing opens views from the upper hall and game room. The Deluxe Kitchen earns its spotlight with Level 5 quartz, upgraded Shaker cabinets, an arabesque backsplash, and a white apron-front sink. A 5-burner gas cooktop, pot filler, vent hood, pot-and-pan drawers, and trash pull-out put useful details within reach. The breakfast area leads to an extended covered patio with a gas connection for grilling. The main-floor primary suite includes separate quartz vanities, a tub with upgraded tile decking, a separate shower with a hexagon tile floor, and a walk-in closet. There are 2 more bedrooms and a full bath on this level, plus a powder bath. The upper floor pairs 2 bedrooms and 2 full baths with a game room and enclosed media room, so movie night can have a space of its own. A mudroom and laundry room with a sink and upper cabinets help manage daily routines. Cedar fencing with steel posts and 2 gates, plus 4 uplights, complete the home.
