MODEL HOME • 14562 FLOSSIE ST | ROSE II

The Bayberry II floor plan balances open gathering spaces with rooms that have a purpose of their own, featuring 4 bedrooms, 3 full baths, a powder bath and a 2-car garage in Creekview Meadows. This interior homesite sits beside a greenbelt, and an extended covered patio gives you more shaded space to enjoy the setting. A gas drop is included for outdoor cooking. The breakfast area connects the patio to a Deluxe Kitchen finished with upgraded painted cabinets, Level 5 quartz and a herringbone backsplash. An angled island with decorative cabinet panels and a farmhouse sink faces the family room, keeping prep within the conversation. Under-cabinet lighting, a pot filler and a walk-in pantry add useful details. Upgraded Frigidaire Professional Series appliances include a gas cooktop, electric oven, microwave and dishwasher. Laminate flooring runs through the main living areas, study and primary bedroom, while 8-foot interior doors add scale to the first floor. Glass French doors enclose the study near the entry. The main-level primary suite includes dual sinks, quartz countertops, a soaking tub, separate shower and a walk-in closet. Three bedrooms and 2 full baths share the upper floor with a game room and separate media room. A tech center with upper cabinets and task lighting creates another spot to work or organize. Modern open railing follows the stairs, and upgraded carpet softens the upper living spaces. Quartz surfaces and upgraded tile continue through the full baths. Brick and stone, a brick-covered porch, an 8-foot front door and 4 uplights complete the arrival. Learn more by visiting Bloomfield Homes at Creekview Meadows today!
