See Community Manager for details.** From first impression to final detail, Bloomfield's Cypress II stands out as a home that lives beautifully every day. Offering 4 bedrooms, 3 full baths, and a 2-car garage on a peaceful, fully landscaped lot. The exterior pairs upgraded brick and stone with accent lighting, full gutters, and an 8' solid wood front door for a welcoming yet striking entry. Wood laminate floors stretch through the main living areas, upgraded tile finishes the baths, and plush carpet softens the bedrooms, with 2-inch faux wood blinds already in place. Just off the foyer, double French doors open to a private Study perfect for work - or utilize for a formal dining space. The Deluxe Kitchen has built-in stainless steel appliances, a vented wood hood, quartz countertops, under-cabinet lighting, and a pull-out trash drawer, while a large island and buffet connect the sunny dining space to a family room framed by backyard views through plentiful windows. The first-floor Primary Suite is a serene escape with dual sinks, a soaking tub, and a separate shower, while 2 secondary bedrooms share a full bath around the hall. A private bedroom with an upgraded walk-in shower in lieu of a tub creates an ideal guest suite upstairs, and the Game Room is another living space to take advantage of! Outdoor living is effortless with a covered back patio and a gas stub for grilling, and thoughtful upgrades like exterior lighting, electrical enhancements, and premium finishes throughout make this Cypress II both practical and unforgettable.
