Refined single-story plan offering 4 bedrooms and 3 baths around an open-concept layout filled with natural light and upgraded finishes! The exterior makes a confident statement with a brick and stone façade, uplighting, gutters, a cedar garage door, and an 8' front door. Windows bring in natural light and laminate wood flooring in a Vintage Manor finish carries through the entry, kitchen, dining area, and family room for a cohesive, low-maintenance flow. Designed around function first, the Deluxe Kitchen features built-in stainless appliances (including a gas cooktop), vented wood hood, smooth-wrapped island, granite countertops, contemporary Shaker cabinets painted white, pendant lighting, under-cabinet lights, and even a dedicated trash pull-out drawer! The dining area sits just off the kitchen, with a window seat and back door to the covered patio. The primary suite is tucked away from secondary bedrooms and includes an enlarged shower, more granite, and a walk-in closet arranged for everyday organization. Secondary bedrooms are evenly spaced and supported by well-finished baths with coordinating tile selections that keep the interior palette consistent. Practical upgrades continue throughout the home, including tall interior doors on the first floor, 2-inch faux wood blinds already installed, a tankless water heater, an upgraded kitchen faucet, and a gas drop for your grill on the patio! Visit the Bloomfield Homes model in Creekview Meadows to learn more about the Jasmine.
