MODEL HOME • 14562 FLOSSIE ST | ROSE II

Extra garage depth gives tools, bikes and storage a little more breathing room in Bloomfield Homes' Rose II, a two-story home with 5 bedrooms, 4 full baths and a deep 2-car garage in Creekview Meadows. An 8-foot front door opens to laminate flooring that extends through the main living spaces, study and primary bedroom, with 8-foot interior doors adding scale across the first floor. Glass French doors define the study, and modern open railing follows the staircase. The Deluxe Kitchen puts white painted cabinets against Level 5 quartz, with a decorative island back, 3 pendant lights and under-cabinet lighting bringing the details into focus. A farmhouse sink and pot filler join upgraded Frigidaire Professional Series appliances, including a gas cooktop, electric oven, microwave and dishwasher. The breakfast area connects to a covered patio equipped with a gas drop and data port. At the rear, the primary suite features dual sinks, a soaking tub, separate shower and a walk-in closet with a direct laundry-room connection. Upper laundry cabinets and a mud bench add useful storage nearby. A second main-floor bedroom sits beside a full bath upgraded with a shower in place of the tub. Three additional bedrooms and 2 full baths share the upper level with a game room and enclosed media room. With 5.1 surround-sound prewiring included, planning your movie setup can start before the boxes arrive. Level 5 quartz continues through all baths, complemented by upgraded floor and wall tile. Brick, a brick-covered front porch and wood privacy fencing complete the exterior. Visit Bloomfield Homes at Creekview Meadows!
