MODEL HOME • 14562 FLOSSIE ST | ROSE II

A deep 2-car garage, an upgraded kitchen and dedicated spaces for work and entertainment distinguish Bloomfield Homes' Rose II in Creekview Meadows, a two-story plan with 5 bedrooms and 4 full baths. The first floor puts the primary suite at the rear and a secondary bedroom near the entry, with a full bath upgraded to a shower in place of the tub. Three more bedrooms and 2 full baths occupy the upper floor alongside a game room and enclosed media room with 5.1 surround-sound prewiring. Glass French doors enclose the main-floor study, and modern open railing adds a clean line to the staircase. Laminate flooring extends through the family room, kitchen, study and primary bedroom, complemented by 8-foot interior doors on the first floor. The Deluxe Kitchen showcases Level 5 quartz, upgraded painted cabinets, a textured backsplash and decorative island panels. Three pendant lights and under-cabinet lighting finish the scene. Frigidaire Professional Series appliances include a gas cooktop, electric oven, microwave and dishwasher, with a pot filler and farmhouse sink adding everyday convenience. The rear dining area opens to a covered patio with a gas drop and data port. The primary bath pairs dual sinks with a soaking tub, separate shower and walk-in closet connected directly to the laundry room. Upper cabinets and a mud bench provide additional storage, while quartz surfaces and upgraded tile continue through the baths. A brick-covered porch, upgraded 8-foot front door, 5 uplights and wood privacy fencing complete the setting. Visit Bloomfield Homes at Creekview Meadows to explore the Rose II today!
