MODEL HOME • 14562 FLOSSIE ST | ROSE II

Bloomfield Homes' two-story Rose II offers 5 bedrooms, 4 full baths, and a deep 2-car garage in Creekview Meadows. The garage's added depth makes room for storage or a workbench. An 8' entry door introduces a layout with a study behind glass French doors and a secondary bedroom near a full bath upgraded with a tiled shower and glass door. The family room opens to the floor above, where modern railing frames the overlook. Room to look up. Upgraded laminate wood ties the family room to the kitchen and breakfast area, continuing into the study and primary bedroom. The Deluxe Kitchen pairs upgraded quartz with a farmhouse sink, pot filler, and Professional Series appliances, including a gas cooktop and electric oven. An upgraded backsplash, finished island panel, and under-cabinet lights complete the space, with a walk-in pantry nearby. At the rear, the primary suite includes dual sinks, a garden tub, separate shower, and walk-in closet with a door directly to the laundry room. Upstairs, 3 bedrooms share 2 full baths, a game room, and a separate media room with 5.1 surround-sound prewiring. Upgraded carpet adds softness, while all 4 baths receive quartz counters, upgraded tile with accent borders, and upper cabinets. Mudroom and laundry cabinets add storage. An 8' patio door opens to covered outdoor space with a gas stub, and brick and stone meet a brick-covered front porch and 5 uplights outside. The interior lot includes landscaping, stone edging, sprinklers, and a stained fence. Contact Bloomfield Homes' Creekview Meadows model to learn more about 14457 Mietner today!
