MODEL HOME • 14562 FLOSSIE ST | ROSE II

This Rose II offers 5 bedrooms, 4 full baths, and a deep 2-car garage in a two-story design on an interior lot in Creekview Meadows. Brick and stone, a brick-covered porch, an 8' front door, and 5 uplights define the exterior. Inside, 8' first-floor doors and laminate wood flooring carry through the shared spaces and primary bedroom. The study closes behind glass French doors, while the family room opens to the second floor above. In the Deluxe Kitchen, painted cabinets frame upgraded quartz counters and a farmhouse sink, with island cabinet panels finishing the view from the living area. A gas cooktop, built-in electric oven, and pot filler support cooking; 3 pendants and under-cabinet lighting highlight the counters. The pantry keeps supplies nearby, and breakfast space with a window seat connects to the covered patio and gas stub through an 8' door. The primary suite sits at the rear with its own window seat, dual sinks, a garden tub, a separate shower with a seat, and a walk-in closet linked directly to the laundry. A front secondary bedroom has a full bath nearby, upgraded to a tiled shower with a glass door. Upstairs, 3 bedrooms share 2 full baths, including a Jack-and-Jill arrangement, alongside a game room and enclosed media room prewired for 5.1 surround sound. Modern open railing follows the stairs. Quartz counters, upgraded tile, and upper cabinets finish the baths, with upper cabinets added in the utility room, too. Visit Bloomfield Homes' Creekview Meadows model today!
