Bloomfield's Rose II showcases open-concept living with sophisticated design, featuring 5 bedrooms, 4 full baths, and a grand Family Room with dramatic vaulted ceilings and abundant natural light. A Gourmet Kitchen elevates the heart of the home with built-in SS appliances, a gas cooktop, Shaker cabinets, Quartz countertops, a Deluxe Kitchen package with pot and pan drawers and a wood vent hood, and extensive electrical, tile, and carpet upgrades. Wood floors flow throughout all main living and traffic areas, while window seats add charm and functionality. The first-floor Primary Suite is a private retreat with a garden tub, separate shower, and walk-in closet, while upstairs offers a spacious Game Room and an adjoining Media Room. Practical enhancements include a tankless water heater, blinds, gutters, and a custom 8' front door, with a gas drop on the oversized patio for outdoor grilling. The home's striking brick and stone facade and its oversized interior lot further enhance its appeal. Contact or visit Bloomfield at Creekview Meadows today to learn more!
