MODEL HOME • 14562 FLOSSIE ST | ROSE II

This Violet IV offers 5 bedrooms, 4 full baths, and a 2-car garage in a two-story design on an interior lot in Creekview Meadows. A front secondary bedroom sits beside a full bath with a tiled shower and glass door. At the rear of the first floor, the primary bedroom includes a window seat and its own door to the covered patio; the ensuite adds dual sinks, a garden tub, a separate shower with a seat, and a walk-in closet. Upgraded tile and accent borders bring detail to the baths, with quartz counters and upper cabinets adding finish and storage. The family room opens to the second floor and connects across the island to a Deluxe Kitchen with painted cabinets, upgraded quartz, and a farmhouse sink. A pot filler serves the gas cooktop, with a built-in electric oven and walk-in pantry nearby. Under-cabinet lighting and 3 pendants brighten the counters, while island cabinet panels finish the view from the living area. The dining area's window seat gives the table a defined setting beside an 8' door to the patio and gas stub. Upstairs, modern open railing frames the game room, and doors enclose a media room prewired for 5.1 surround sound. The remaining 3 bedrooms share 2 full baths, including a Jack-and-Jill bath with dual sinks. An 8' front door and 8' first-floor interior doors add height, while the laundry room gains upper cabinets near the garage entry. Brick and stone, a brick-covered porch, 4 uplights, landscaping, stained fencing, blinds, and gutters complete the home.
