Bloomfield's Violet IV floor plan hosts an open-concept layout with a vaulted Family Room which heightens the feel of the space. Prime location with all brick exterior, 8' 6-Lite front door, and a front porch welcoming you! Features 5 bedrooms and 4 baths, with bathrooms either directly connected or right outside the bedrooms. Tons of entertaining space in the Game and Media Room, both inviting you to stay awhile. Elegant finishes like Wood floors in common areas and large windows create a welcoming vibe. Island-centered, Gourmet Deluxe Kitchen with quartz countertops, built-in SS appliances, custom backsplash, and a walk-in pantry. The home features a second-floor overlook, extensive storage, Window Seats, a Tankless Water Heater; and an inviting covered Patio with views of the backyard. Electrical, tile, and carpet upgrades, and a gas stub for grilling - this home has it all. Call Bloomfield today to make this Violet plan your dream home!
