MODEL HOME • 10032 BLUE FOREST LN | ROSE II

The Violet IV by Bloomfield Homes offers 5 bedrooms, 4 full baths, and a 2-car garage in Woodstone, with 2 bedrooms downstairs and separate game and media rooms above. Level 5 quartz and matte black cabinet hardware give the Deluxe Kitchen a crisp finish, while cabinet trim wraps the island's back for a furniture-style look. 3 pendants define the island, and undercabinet lighting brightens the surrounding workspace. A gas cooktop, electric oven, single-bowl sink, and pantry keep the kitchen ready for daily use. The connected dining area opens to a covered patio with a gas drop. Tall ceilings make the family room a standout, with a tile-to-ceiling direct-vent gas fireplace and cedar mantel adding a focal point. Modern box railing follows the stairs, upper landing, and game room overlook, preserving the open view between floors. Laminate flooring extends through the main living spaces and primary bedroom. The rear primary suite includes Level 5 quartz at the dual sinks, a garden tub, separate shower with tile to the ceiling, and a walk-in closet. A second bedroom near the entry has a full bath close by, upgraded with a standing shower and tiled mud pan. 3 bedrooms and 2 full baths join the game room and enclosed media room on the second floor. Double doors give movie night its own space. Upgraded carpet and bath tile, quartz in every bath, and utility upper cabinets carry the finishes further. Upgraded brick with buff mortar, a brick front porch, an 8-foot door, and 2 uplights introduce the exterior. Blinds and gutters are included.
