The Violet IV by Bloomfield Homes is a 2-story design with 5 bedrooms, 4 baths, and a 2-car garage on an oversized greenbelt lot, featuring a stone-and-brick exterior with a covered front porch. Inside, vaulted ceilings create openness across the main level, where the family room flows into a deluxe kitchen appointed with quartz countertops, custom cabinetry, a large island, a gas cooktop, and an electric built-in double oven, with the dining area set just off the kitchen for easy access. The first-floor primary suite includes dual sinks, a soaking tub, a separate shower, and a walk-in closet, while a second bedroom and full bath on the main level add flexibility for guests or extended family. Upstairs, the layout offers a large game room, a media room, and 3 secondary bedrooms—2 with an ensuite bath—providing plenty of space for everyone. Flooring selections include tile in key areas and laminate for main living, combining durability with style. Additional highlights include a tankless water heater, gutters, exterior lighting, and a gas stub for grilling. Call or visit Bloomfield Homes at Woodstone today to learn more!
