Discover the elegance of Bloomfield's Violet, a thoughtfully designed two-story home featuring 3 bedrooms, a private Study, and 2.5 baths, all situated on an interior lot. Upgraded Laminate Wood floors extend throughout the entire first floor except the bedroom, enhancing the open-concept layout anchored by soaring vaulted ceilings in the Family Room. The Gourmet Kitchen impresses with sleek Quartz countertops, rich slate-colored Shaker cabinets, a trash pull-out at the island, and a stylish combination of pendant and undermount cabinet lighting. A beautifully crafted railing replaces the half-wall at the Living Overlook and continues up the staircase, adding an open, architectural touch. The Primary Suite offers a spa-like retreat with a garden tub, separate shower, and a spacious walk-in closet. Outside, an all-brick elevation with an 8' Republic-style Front Door, gutters, and uplights enhances the curb appeal, while a full irrigation system maintains lush landscaping. Additional upgrades include a tankless water heater for efficiency and access to community amenities such as a playground and pool. Visit Bloomfield at Woodstone to experience this stunning home today!
