Move-In Ready

The Primrose plan is a beautifully designed single-story home set on a ½-acre interior lot, combining spaciousness, upgraded finishes, and high-end functionality throughout. From the outside, the home makes a bold first impression with a brick and stone façade, 8' stained wood front door, and cedar garage doors across the 3-car garage. Inside, a rotunda-style foyer opens to a flowing layout filled with natural light and elevated ceilings. Anchoring the main living space is a Family Room with a tile-to-ceiling fireplace featuring a cedar mantel, creating a cozy yet grand atmosphere. The Family Room connects seamlessly to the Deluxe Kitchen, which boasts double ovens, upgraded cabinetry, and quartz countertops, as well as a walk-in pantry and built-in stainless appliances that make entertaining a breeze. The home includes 3 spacious bedrooms and 2.5 baths. The Primary Suite is tucked in its own private wing and features a luxurious bath with dual vanities, a garden tub and separate shower, along with a large walk-in closet. Bedrooms 2 and 3 are positioned on the opposite side of the home, sharing a full bath. Designed with lifestyle flexibility in mind, this home features a dedicated Media Room pre-wired for surround sound, a separate Mud Room with built-in bench and oversized laundry room with sink, and a private Study with Glass French Doors that sits quietly at the front of the home. Throughout the entry, Study, Family Room, Kitchen, and halls, you'll find wood flooring, with tile in all wet areas and plush carpet in the bedrooms. The covered patio has been extended, offering a shaded space perfect for relaxing outdoors or hosting gatherings. From its functional upgrades to its architectural presence, this Primrose offers comfort, beauty, and space for everything. Call or visit Bloomfield at Crystal Lake in Red Oak today to learn more!
