\$20K price reduction or \$20K in closing costs! Experience elegance, space, and modern style in Bloomfield's Seaberry floor plan. It's ideally situated on a spacious ½-acre lot with a classic brick and stone exterior. This two-story home features upscale main-floor living and versatile upstairs areas perfect for family gatherings and entertaining. Enter through the 8' front door into soaring ceilings, 8' interior doors, and an open living area filled with natural light. The main space centers around the Deluxe Kitchen, which includes double ovens, a 5-burner cooktop, quartz countertops, a white farmhouse sink, upgraded cabinets, and a designer ceramic tile backsplash. The living room, with a striking tile-to-ceiling fireplace, flows seamlessly from the kitchen, creating a bright, welcoming atmosphere. A private study with elegant French doors offers a quiet home office, while upgraded wood flooring in the main areas adds warmth and style. Each bathroom features quartz countertops and premium ceramic tiles, giving the home a polished, cohesive look. The spacious Primary Suite boasts beautiful windows and a window seat. The ensuite bath has dual vanities, a garden tub, a separate shower, a water closet, and a large walk-in closet. Just down the hall, you'll find a bedroom and a full bath for guests. Upstairs, there is a large Game Room and 3 additional bedrooms, including a Jack & Jill bath, ideal for children, teenagers, or visitors... This layout provides dedicated space for everyone in the family! Outside, enjoy the generous backyard with a covered patio and a gas stub for grilling—ideal for relaxing, weekend barbecues, or a future pool. Filled with space, light, and sophisticated design, this home combines comfort with impressive features. Available in September—act quickly!
