Our Spring Cress II is a refined two-story home designed for both elevated everyday living and entertaining, offering 5 bedrooms, 4 full baths, and multiple living areas that balance style and flexibility. The exterior makes an immediate impact with its arched windows and cedar garage doors set in a J-swing layout. A 2.5-car garage includes a dedicated mini garage, perfect for tools, storage, or a workshop space. The grand entry features a custom 8' stained wood front door that opens into a spacious interior where volume ceilings and natural light define the open-concept layout. Inside, the Family Room is anchored by a Stone-to-Ceiling Fireplace and 18' ceiling height, creating a dramatic yet welcoming space that flows seamlessly into the Deluxe Kitchen. This chef-inspired space is equipped with a 5-burner cooktop, double ovens, quartz countertops, upgraded backsplash, under-cabinet lighting, and wood-look tile flooring that extends from the entry to the utility areas. The layout offers thoughtful livability with 2 bedrooms downstairs, including a private guest suite and a well-appointed Primary Suite tucked in the rear for added privacy. Upstairs, 3 secondary bedrooms are paired with 2 full baths, and the Game Room opens to a step-up Media Room, ideal for movie nights or casual entertaining. Additional highlights include a Study off the Foyer, a Mud Room with built-in cabinetry, and upgraded tile finishes throughout the baths. The brick-and-stone elevation and extended covered patio round out the design, offering curb appeal and outdoor comfort on a generously sized lot. Modern upgrades, classic detailing, and spacious design come together in this standout plan—discover the Spring Cress II at Crystal Lake Estates today.
