MODEL HOME • 143 CRYSTAL LAKE LANE | PRIMROSE VI

Move-In Ready

**Limited Time Offer - \$25K Price Reduction AND \$15K Closing Cost Assistance!** The Rockcross plan features 4 bedrooms, 3 baths, and a thoughtful single-story layout designed for easy everyday living. Positioned on a half-acre interior homesite with a swing-entry garage, the exterior sets the tone with a custom 8' wood and glass front door that introduces an interior filled with curated upgrades. Inside, 8' interior doors, wood-look tile flooring, and wide open sightlines shape the main areas. Dazzling Deluxe Kitchen showcases painted cabinetry, quartz countertops throughout, a white farmhouse sink, pot and pan drawers, double ovens, a 5-burner cooktop, a wood vent hood, and a striking black Delta faucet below pendant lights that elevates the island. The family room is anchored by a floor-to-ceiling stone fireplace with a cedar mantle, giving the space a natural focal point and warmth. Bedroom 4 is placed at the front with its own ensuite bath for privacy and flexibility, and a mud bench cabinet in the laundry room adds everyday convenience to simply drop things by the door. Outdoor living extends across a covered front porch and an extended covered back patio, offering two spots to enjoy the oversized yard. Additional touches—upgraded lighting, quartz in every bath, and thoughtful storage—round out this polished design. Call or visit the Bloomfield Homes nearby model for details.
