The Bellflower II offers 5 bedrooms, 4 full baths, 1 half bath, and a 2.5-car garage in a two-story design on an interior lot in The Oaks. A porte cochere gives the brick exterior a distinctive profile alongside wood garage doors, a covered front porch, and an 8-foot entry door. The extra half-bay adds storage space, while a large backyard leaves room beyond the covered patio. An open family room rises with a high-reaching ceiling, with a gas-log fireplace and floor-to-ceiling tile drawing the eye upward. Laminate wood flooring connects the shared areas, and 8-foot doors carry the proportions through the first floor. The Deluxe Kitchen features double electric ovens, a 5-burner gas cooktop, and a pot filler, all arranged around an island with a breakfast bar. Quartz counters and pendant lighting finish the space, with a walk-in pantry keeping supplies close. The breakfast area includes a window seat and access to the patio's gas stub. A separate media room sits on the main floor behind double doors, giving movie nights a room of their own. Near the foyer, a study offers another defined space beside the powder bath. The primary suite occupies the rear of the home with a window seat, separate vanities, quartz counters, a garden tub, a separate shower, and a walk-in closet. A second bedroom and full bath are also downstairs. Above, the game room overlooks the family room, and 3 bedrooms share 2 full baths, including a Jack and Jill arrangement. Blinds, gutters, exterior lighting, and a sprinkler system complete the practical details. Visit Bloomfield Homes' model in The Oaks to explore the Bellflower II today!
