The Bellflower IV offers 6 bedrooms, 5 full baths, 1 half bath, and a 2-car garage in a two-story design on a corner lot in The Oaks. An upstairs bedroom suite gives this layout a standout feature, with 2 walk-in closets and a bath featuring dual sinks, a tub, and a separate shower. The game room shares this level with 3 more bedrooms and 2 additional full baths, including a Jack and Jill arrangement. Downstairs, glass French doors define the study, while the wall between formal dining and the family room has been removed to create a broader gathering space. Laminate wood flooring connects the entry, study, dining, family room, kitchen, and halls. A natural gas fireplace brings decorative tile to a painted mantel, adding a focal point beneath the vaulted ceiling. The Deluxe Kitchen pairs painted cabinets and hardware pulls with quartz countertops and backsplash, a white apron-front farmhouse sink, and 3 pendant lights over the island. Double electric ovens and a 5-burner gas cooktop complete the cooking setup. Beside the kitchen, breakfast dining opens to a covered patio with a gas stub. The primary suite stays downstairs with separate vanities, a garden tub, a separate shower, and a walk-in closet connected to the laundry room. Another bedroom and full bath sit near the foyer, with a powder bath off the main hall. Upgraded patterned shower tile and quartz bath counters carry the finish selections through the home. Brick and stone, a bricked front porch, cedar garage door, 8-foot front door, and 4 uplights detail the exterior. Visit Bloomfield Homes' model at The Oaks today!
