A corner homesite and 3-car garage give Bloomfield Homes' Jasmine extra appeal before the front door even opens, with 4 bedrooms and 2 full baths plus a powder bath arranged on one level in The Oaks. Wood flooring carries through the entry, family room, kitchen, breakfast area, and halls, connecting the spaces used most throughout the day. The open family room looks toward the covered patio and keeps the kitchen close to the conversation. Double ovens and a 5-burner cooktop make the Deluxe Kitchen upgrade worth a closer look. There is room to prepare several dishes at once, a dishwasher with a stainless-steel tub for cleanup, and 3 pendant lights above the island to finish the space. The breakfast area sits at the rear beside the patio door, so taking coffee or dinner outdoors is an easy change of scene. The primary suite occupies its own side of the home, separated from the 3 secondary bedrooms. Its bath includes dual sinks, a separate tub and shower, an enclosed toilet area, and a walk-in closet. A full bath serves the secondary bedrooms along the opposite hall, while the added powder bath gives visitors a separate option near the living area. The dedicated laundry room connects directly to the garage, keeping that daily route convenient. The 3rd garage bay adds useful space for another vehicle, tools, or hobby equipment. 2-inch blinds and gutters are included.
