This stunning 5-bedroom, 4-bathroom, 2-story home from Bloomfield Homes offers incredible space, stylish upgrades, and smart design throughout — all set on an oversized homesite with an impressively large backyard. From the outside, the brick and stone elevation creates timeless curb appeal, while the extended-depth 2-car garage provides extra room for storage or larger vehicles. A welcoming front entry sets the tone for what's inside — where thoughtful details and open-concept living come together. Step into the main living area and you're greeted with upgraded wood flooring that flows throughout all the main areas. The Family Room features a stunning tile-to-ceiling fireplace and plenty of natural light, making it the perfect gathering spot for relaxing or entertaining. The Deluxe Kitchen is a true centerpiece, equipped with double ovens, a 5-burner gas cooktop, and an oversized island ideal for cooking, serving, or simply hanging out. You'll also find custom touches like a cabinet mud bench in the utility room for added function and style. Throughout the home, enjoy added comfort with natural gas heat, a tankless gas water heater, and upgraded patterned carpet in the secondary areas for a soft, stylish feel. This layout includes thoughtful spaces like window seats that add charm and extra cozy spots in key areas. Upstairs and down, you'll find bedrooms and baths arranged for privacy and flexibility — perfect for families of all sizes. Step outside to enjoy a covered patio and that huge backyard — plenty of space for outdoor living, play, or future backyard dreams. Located in a welcoming community with a swimming pool and more on the way, the Violet III is where space, comfort, and style come together in a truly livable design.
