MODEL HOME • 2113 RIO PIEDRA DRIVE | BELLFLOWER IV

The Violet IV offers 4 bedrooms, 3 full baths, a powder bath, and a 2.5-car garage in a two-story layout at 2185 Rio Piedra Drive. The extra half-bay gives you room for storage or a workbench. Brick and stone, wood garage doors, a covered porch, and an upgraded 8' front door set the exterior's tone. Inside, laminate flooring leads into an open family room with vaulted ceilings and a floor-to-ceiling stacked-stone gas fireplace. The Deluxe Kitchen connects to the living space around an island with quartz counters and pendant lighting, while a pot filler above the gas cooktop adds a useful upgrade. An electric oven, microwave, and walk-in pantry complete the workspace. The dining area at the rear opens to a covered patio with a gas stub, keeping indoor and outdoor gathering spaces connected. For a quieter moment, the front study closes behind glass French doors, with a powder bath nearby. The primary suite occupies the rear of the first floor and includes a walk-in closet, dual sinks, quartz counters, a garden tub, and a separate shower with a seat. Upstairs, a game room overlooks the family room below, and a separate media room offers another setting for entertainment. Three secondary bedrooms share two full baths with granite counters; one bath includes dual sinks. The laundry room sits near the garage entry, while carpet adds comfort in the remaining rooms. A landscaped interior lot, sprinkler system, wood privacy fence, and gutters finish the outdoor setting. Visit Bloomfield Homes' Stone River Glen model to see more today!
