The exterior combines brick and stones for a strong visual profile. Walking into the home into the rounded foyer you will find a study with Glass French doors and an open formal dining room bookend the foyer entrance. Moving into the main living space, the family room draws attention with the tile to wood mantel fireplace. The Deluxe kitchen sits nearby and features white shaker style cabinets with quartz countertops, a gas cooktop, built-in oven, upgraded backsplash, pendant lighting, and a functional island that supports everyday workflows. The casual breakfast nook connects directly to the covered patio that is equipped with a gas stub, creating an easy transition to outdoor cooking options.
