Bloomfield's beloved Carolina one-story is a thoughtfully designed home offering 3 spacious bedrooms, 2 baths, and a seamless blend of style and functionality. A stunning all-brick facade with cedar garage doors and tasteful exterior lighting enhances the curb appeal, while an impressive 8' front door opens to the elegant rotunda entry, setting the tone for the stylish interior. Inside, the open-concept layout flows beautifully through the Formal Dining Room, a private Study with elegant dual doors, and a spacious Family Room centered around a dramatic Tile-to-Ceiling Fireplace—each space enriched by the warmth of upgraded Laminate Wood flooring and high-end designer touches. The Gourmet Kitchen is a chef's dream, outfitted with custom cabinetry, upgraded Quartz counters that continue throughout the home, and all-electric stainless steel appliances, anchored by a large island and walk-in pantry for added functionality. The Primary Suite offers a luxurious private retreat with ample space for a king bed and sitting area, while its ensuite bath boasts refined upgrades, a soaking tub, and a separate shower. Large picture windows frame serene views of the oversized, fully landscaped homesite with stone-edged flower beds and mature trees, nestled against a peaceful greenbelt. The covered patio extends your living space outdoors, perfect for entertaining or relaxing in the shade. Residents will also enjoy a vibrant, amenity-filled community that includes scenic trails, a pool, a playground, a basketball court, and a welcoming clubhouse, making this home the ideal combination of elegance and everyday comfort.
