MODEL HOME • 4105 GRAFORD LN | MAGNOLIA II

Bloomfield Homes' Magnolia II offers 5 bedrooms, 4 full baths, and a 2-car garage in a two-story layout at Lewis Ranch. A covered rear patio with a gas stub and a 10' x 20' patio extension expand the options outside, while the interior lot keeps the setting within the neighborhood. The kitchen and breakfast area connect directly to the family room, with wood-tile tying the shared spaces together. Painted cabinetry with soft-close doors and drawers, quartz counters, and an upgraded backsplash give the Deluxe Kitchen its finish; double ovens and a 5-burner gas cooktop supply the function. Pendant and under-cabinet lighting bring another layer of detail. A separate formal dining room near the foyer adds a defined setting for meals and celebrations. At the rear, the primary suite features a walk-in closet, dual sinks, a separate shower, and an upgraded deck-mounted soaking tub, with accent tile adding interest in the baths. A front bedroom sits beside a full bath, where an added shower includes a seat. The family room rises beneath a raised ceiling, and a tile-to-ceiling fireplace with a cedar mantel creates a striking focal point. Upstairs changes the pace: 3 bedrooms, 2 full baths, a game room, and a separate media room with surround-sound wiring and a raised seating area. Modern vertical railing finishes the stairway. Laundry upper cabinets, a dedicated garage freezer outlet, Z-Wave switches, and blinds add everyday function. A brick front porch, 8' front door, cedar garage doors, uplights, and gutters complete the exterior. Visit Bloomfield Homes' Lewis Ranch model to learn more about 3403 Olden Drive today!.
